**RQR-34160 - Staff Report Page Three  
June 11, 2009 - Planning Commission Meeting****ANALYSIS**

This is the first Required Review since the initial approval of the Special Use Permit (SUP-27082) for a Secondhand Dealership at 420 East Sahara Avenue. The existing business purchases and sells antique jewelry, coins, flatware and other precious metals. A research of the business license history reveals the jewelry store has a valid license for the intended use with no Metro incidents noted. Since the original approval of the Special Use Permit, there has been little to no tangible redevelopment in the surrounding area.

**FINDINGS**

The subject site is located in a C-2 (General Commercial) zoning district. The area surrounding the business is in good condition. During a routine site inspection Staff determined that the site was not in conformance with Condition number 5 of the previously approved Special Use Permit (SUP-27082) which state:

5. Parking lot shall be re-stripped to conform to the site plan date stamped 03/04/08.

As the current site fails to comply with the conditions of approval of Special Use Permit (SUP-27082), staff cannot support this application and is recommending denial.
